

# ROANOKE HIDDEN HISTORIES

**T**ogether, we're telling overlooked stories of Roanoke's history. In partnership with Richmond's Hidden in Plain Site, we're preparing stories for a virtual tour and educational tool. On Lacks Plaza across from the Municipal Building, we're honoring the life-saving, globally important contributions of Henrietta Lacks.

With the support of more than 200 individuals and organizations, the Hidden Histories Committee, under the fiscal agency of the Harrison Museum of African American Culture, is quickly closing in on our fundraising goal. Each and every dollar makes a difference in preserving and telling our long hidden histories. **We thank you.**
